**From little things... BIG THINGS GROW.**

Since its original opening in 2004, Rush has been a contradiction in styles, tastes, experiences and personalities as it was built on the foundation of being as much or as little as its guests want it to be. The evolution of Rush sees the same focus installed within its décor, its menu and its people as it aims to continue to be a warm and welcoming place to its many city regulars.

The evolution of our new space sees the introduction of a fresh new modern Australian menu featuring a collection of old Rush favourites and new contemporary European inspired classics. Our passion for flavoursome food is further complimented by the addition of a sleek new European designed enomatic wine system which allows our guests to enjoy premium Australian & International wines by the glass.

We specialise in co-ordinating & hosting private events. Our team can create anything you can dream up, no matter how big or small, classical or creative. Whether it's for a special birthday, a corporate product launch, a gala dinner or cocktail party, Rush provides a unique event space that can cater for up to 300 guests.
